

## **PERSONAL INFORMATION:**

**Name :** Simge

**Surname:** UFACIK ÇELENK

**Place of birth:**Bornova/ İZMİR

**Date of birth:** 20.12.1988

**Marital status:** Married

**Driving License:** Yes (B)

**Address:** Kızılay Mah. 469 sok. No:10 D:1 Bornova/İZMİR, TURKEY

**Telephone:** 05557084154

**E-mail:** [simgeufacik@gmail.com](mailto:simgeufacik@gmail.com)

## **EDUCATION INFORMATION:**

**Doctorate Education:** Ege University Department of Biotechnology (2016-2023)

**Topic:** Development Of Alternative Adjuvants That Can Increase The Immune Power Of New Biotechnology Vaccines

**Postgraduate Education:** Ege University Faculty of Pharmacy (Biopharmaceutical and Pharmacokinetics Department) (2012- 2015)

**Undergraduate Education:** Ege University, Biology Department (2006-2011)

## **EXPERIENCE:**

### **Job experience:**

- Ege University Drug Development and Pharmacokinetic Research Application Center (ARGEFAR) – Product Research and Development Laboratory (March 2012- September 2014)
- Ege University Drug Development and Pharmacokinetic Research Application Center (ARGEFAR) – Environment and Food Analysis Laboratory (September 2014 – January 2017)
- Ege University Drug Development and Pharmacokinetic Research Application Center (ARGEFAR) - Pre-Phase Research Unit (January 2017 – September 2022)

## **Internship:**

- Ege University Children's Hospital Hematology Laboratory (June 2007)
- Ege University Children's Hospital Molecular Biology Laboratory (June 2008)
- Ege University Children's Hospital Biochemistry Laboratory (July 2008)
- Ege University Pathology laboratory (June 2009)

## **SEMINARS I ATTENDED:**

- Middle East Technical University 1. National Genetically Modified Organisms Symposium (December 2008)
- Ege University, 3rd Molecular Biology and Genetic Research and Application Platform with International Participation (August 2009)
- Ege University - Ebilet - Artificial Tissue and Organ Symposium: Current Approaches to Increasing Organ Needs (October 2009)
- Secret CV Seminar (March 2010)
- Ege University Ebilet 3rd Stem Cell Symposium (April 2011)

- Sanofi Aventis-AcademicA- Basic good clinical practice training (September 2012)
- Agilent Sem HPLC Introduction-analysis seminar (May 2013)
- 18th Aegean Oncology Days International Symposium (November 2013)
- Ege University Stem Cell Society - EGEKÖK - Basic Stem Cell Training Seminar (January 2014)
- Vaccine Science Congress And Workshop (April 2015)
- 3D Biointerfaces And Biotherapeutics Workshop (Participant and organizing committee)( October 2017)
- 2nd International Vaccine Science Congress & ISV Supported DNA Vaccine Workshop (May 2018)
